STIPULATED ORDER

Docket Number **C 16 056**

RE: Nevins Memorial Library, 305 Broadway, Methuen

A complaint was filed with the Architectural Access Board regarding alleged violations of its Rules and Regulations with respect to the above premises.

By letter of January 10, 2017, Richard D'Agostino, City Solicitor, submitted the following statement in response to the complaint filed:

"Accordingly, an additional curb cut in the auxiliary lot area had been added to the City's plan to remediate all violation cited in the Board's August 5, 2016 violation notice. The additional curb cut in the auxiliary lot will create an accessible route and bring that area into compliance with CMR 521 20.1 and CMR 521 21.2."

Additionally, on March 2, 2017, Attorney D'Agostino stated in an email, "I have been informed by the Director of Public Works that the work proposed in the City's Response will be completed by June 1, 2017."

The Board adopts this plan as it's own order, with compliance to be achieved by **June 1, 2017**

You are required to notify this office, in writing, within five (5) days of the completion date, indicating whether or not the above work has been completed. You are required to include photographs showing that the work has been completed.

Any person aggrieved by the above decision may request an adjudicatory hearing before the Board within 30 days of receipt of this decision by filing the attached request for adjudicatory hearing form. If after 30 days, a request for an adjudicatory hearing is not received, the above decision becomes a final order and the appeal process is through Superior Court.
